August 17, 2017

Randal S. Mills
Mayor

1. Below are questions received to date and the corresponding answers and/or modifications to the bid/contract document:

Chris Bowen
City Council

- a. Question: What was the previously awarded contract amount?

Answer: This is the first request for bids for highway mowing and maintenance services.

Vince Evans
City Council

- b. Question: How far behind the guardrail is the contractor required to trim?

Answer: This will vary depending on the specific location. However, it is not expected that trimming will extend beyond 5 feet, if adjacent to the edge of right-of-way. In open areas, specifically the I-20 @ West Avenue quadrants, it will be necessary to trim as necessary to complete the quadrant mowing.
